

**SALA'S VEGETABLE ELIXIR.**  
PREPARED solely from vegetables, by John Sala, Canton Ohio. Price \$1.50 per bottle.

As an internal remedy this medicine stands unrivaled. Its fame and virtues are sufficiently established, by the many and important cures it has performed, in the short period it has been in use. In marshy districts where fevers more commonly prevail, its use will prevent their recurrence, and give to the system a general healthy action. The quantity to be taken, should be regulated so as to produce a free and regular discharge from the bowels, which will give tone and activity to the stomach, and enable it to resist and eject all bilious collection, and at the same time restore a proper and healthy secretion. It will arouse the inactivity of the liver, when affected, and restore it to its wonted healthy condition. As a family medicine, when a purge is necessary for any disease, nothing will be found better adapted to the system, than this Elixir. It purifies the blood, without debilitating the stomach or bowels, while it is perfectly mild and harmless in its operations.

This medicine may be taken with perfect safety by all ages in all diseases; its cures are for the following diseases:—Dyspepsia, Loss of Appetite, Indigestion, Consumption, Coughs, Dropsy, Heartburn, Diarrhoea, Cholera, Jaundice, Palpitation of the Heart, Affection of the Liver and the Skin, and all diseases arising from Impure Blood, &c. and where there is any irregularity, arising from debility, it will be found an invaluable medicine.

To each bottle will be attached a label bearing the signature of the proprietor, without which none are genuine.

**JOHN SALA.**  
CERTIFICATES:—The following testimonials are a few of the many that might be presented to the Public.

From the Rev. E. Birkett, of the Pittsburgh Conference.

Mr. J. Sala, Dear Sir:—I have given your "Vegetable Elixir," a fair trial, and cheerfully give my testimony to its value in cases of Cramp, Cholera, and in Chronic affections of the internal viscera. I have been for more than two years severely afflicted with an infection of the diaphragm, which at times would cause derangement of the functions of nature, and complete prostration of strength. I had also frequent attacks of cholera; some of them so severe that life itself appeared to be in danger; but by the use of your excellent medicine I find my chronic symptoms much relieved, and am almost entirely free from those excruciating attacks of cholera; and I hope by perseverance in its use to obtain a perfect cure. I have tried various medicines, and am prepared to say, that in all such cases, I am satisfied it will be found superior to any medicine now before the public.

Yours, &c. E. BIRKETT.

Canton, Aug. 16, 1838.

Extract of a letter from the Rev. A. Billings, of the Michigan Conference, dated Farmington Aug. 2, 1838.

"Mr. Sala, I have used two bottles of your "Vegetable Elixir," and am satisfied that I have derived more benefit from its use, than from all the medicine I have used for many years. I have been for many years afflicted with the Bilious affection. My health is good, and I expect to travel next year. I hope you will find extensive sales."

"I, the undersigned, to certify to the public, that I have used Sala's Vegetable Elixir, for a lingering complaint, called, by some of the most eminent physicians, the Erysipelas, and a weakness of the body. I have used six bottles of Sala's Vegetable Elixir, and can assure the public that I have not felt as well for the last four years as at present, and am now at labor again. I would recommend it as a valuable medicine to the afflicted."

**JACOB ROWLAND.**  
Canton, June 2, 1838.

I do hereby certify, that my wife has been afflicted for the last twelve years with a severe pain in her head, side, and back;—that she has used but one bottle of Sala's Vegetable Elixir, and the complaint has been perfectly removed. I recommend it as a valuable medicine to the afflicted.

**PETER BURGER.**  
Canton, June 1, 1838.

I hereby certify, that having been for many years past severely afflicted with the Liver complaint, in so much that I began to despair of recovering, as I had received all the aid that several Physicians could give, and finding myself no better, I tried one bottle of Sala's German Vegetable Elixir, and find myself, to my utter astonishment, perfectly restored, so that I am now able to perform a full day's work on my farm, after having been unable to perform the same for three years before. Although I paid, during that time, quite an amount of money to the physicians, without receiving any benefit. JOHN SHIVELY.

Oansburgh, Stark Co., Ohio.

I certify, that I was afflicted with the Dyspepsia, and a pain in my stomach, and by using one bottle of Sala's Vegetable Elixir, I felt myself perfectly relieved. JACOB REX.

Canton, June 2, 1838.

Mr. Sala, This is to certify that I had a very severe cold all last winter, and was reduced to a very low stage; I was obtaining all medical aid to no purpose, I was advised to try a bottle of your Vegetable Elixir, which I did, and in two weeks I was able to go to work, and fully believe it to be one of the best medicines before the public for cough, breast complaints, and general debility. Your well wisher.

**JOHN WILLIAMS.**  
Bedford, O., May 2, 1838.

We, the subscribers, citizens of Stark Co. Ohio, hereby certify that we have been in the habit of occasionally using in our families, the Vegetable Elixir, prepared by John Sala, Canton Ohio, and have uniformly derived much benefit from its use. In rheumatism, cholera, derangement of the stomach, agues, worms, &c. &c. we have never found a medicine which showed good effects so soon and so certainly. We therefore cheerfully recommend this invaluable family medicine to the public in general, but to our suffering fellow-citizens in particular, in order that they may give it a trial.

**HEADACHE.**  
**D. R. E. SPOHN,** a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, has the satisfaction to make known that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and laboring under distress which they might not only alleviate, but actually eradicate by the use of this remedy.

It is the result of scientific research, and is entirely of a different character from advertised patent medicines, and is not unpleasant to the taste.

**HEADACHE, SICK OR NERVOUS.**  
The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventative or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain. It is an admitted fact that complaint, whether called Sick Headache, or Nervous Headache arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has been vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system.

This object, Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the U. S.

**NOTICE.**  
**WATER PRIVILEGE FOR SALE.**—The subscriber has a very convenient Water privilege, suitable for the situation of a Furnace, Forge or other water works. It is situated on Swan Creek, three and a half miles from Port Miami. The water may be taken from the subscribers mill pond, at a trifling cost, and with perfect security from damage by the freshets. In the distance of two or three miles there are inexhaustible beds of iron ore of the first quality, and the country being very level presents no obstruction to the building of a road in any direction with very little expense. The ore lies in beds, near the top of the ground, and has been judged to be of the richness of sixty per cent. The subscriber will give great encouragement to any person or persons who will undertake and carry on the above business, and will take an interest in the works, or sell the situation. This improvement is greatly needed in this country, and might be made immediately and immensely profitable.

This house is at the corner of Detroit street and Michigan avenue, a few rods only from the main steamboat landing, and close by the Ferry, at which the travel between Michigan and the eastern states, crosses the Maumee river.

This Hotel is of three stories, with basement rooms, fronting eighty feet on Detroit street, and ninety feet on the avenue, and its position on the bank of the river, gives it a conspicuous and pleasant appearance. For its command of respectable business both in summer and winter, there is probably no hotel better situated than this.

To a good tenant who would furnish it respectfully, it would be let for a term of years at a moderate rent. In the same building there is a large and well finished store, also to be rented. It is one of the best situations for a large variety Store adapted to country trade in this region.
